

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Implementation Guidance for the Water Resources Development Act of 1999 (WRDA 99), Public Law 106-53

1. As you know the WRDA 99 was signed into law on 17 August 1999. Enclosed is a list of those provisions where specific guidance will be forthcoming. For those provisions not on this list, they may be considered for implementation in accordance with the current annual Civil Works Program Development Engineering Circular or other appropriate programmatic guidance.
2. 2. None of the provisions involving currently unfunded work efforts may be undertaken until funds are appropriated for these studies or projects. New study starts will be considered and selected for initiation based upon the availability of funds and their priority relative to other unstarted work.
3. If you have questions or need additional guidance or clarification on any of these provisions, it is requested that you write to HQUSACE, ATTN: CECW-A.
