SUBJECT: Implementation Guidance for Section 1047(b) Cooperative Management, of the
Water Resources and Reform Development Act of 2014 (WRRDA 2014), Public Law 113-
121

1. Section 1047(b) of WRRDA 2014 provides discretionary authority for the Secretary to enter into agreements with state and local governments for the cooperative management of a public recreation area if the public recreation area is located at a lake or reservoir operated by the Corps of Engineers, and adjacent to or near a State or local park or recreation area, and if the Secretary determines that the cooperative management will allow for more effective and efficient management of those areas. Further, Section 1047(b) provides that the Secretary may acquire from or provide to the state or local government goods and services for the cooperative management of the areas covered by the agreement. A copy of WRRDA 2014 Section 1047(b) is enclosed (Enclosure 1).
2. Section 1047(b) of WRRDA 2014 provides authority substantially similar to currently existing USACE cooperative management and leasing authorities (e.g., 33 U.S.C. § 2328 and 16 U.S.C. § 460d). At this time, the USACE will continue to comply with existing guidance issued implementing those authorities.
3. Point of contact is Ms. Mary Coulombe, Chief Natural Resources Management. She may be reached at (503) 808-4313.
