SUBJECT: Implementation Guidance for Sections 6005(d) and (g) of the Water Resources Reform and Development Act (WRRDA) 2014, Hammond Boat Basin Warrenton, Oregon

1. This memorandum provides implementation guidance on Sections 6005(d) and (g) of WRRDA 2014. The Corps is authorized to convey by quitclaim deed approximately 59 acres of land together with any improvements thereon, including the Hammond Marina to the city of Warrenton ("City"), located in Clatsop County, Oregon, without consideration. The land shall not include the site provided for the fisheries research support facility of the National Marine Fisheries Service. A copy of Sections 6005(d) and (g) is enclosed.
2. As a condition of the conveyance under this subsection the City shall assume full responsibility for operating and maintaining the channel and the breakwater. If the Army determines that the land conveyed ceases to be owned by a public entity, all right, title, and interest in and to the land shall revert, at the discretion of the Army, to the United States. This reversionary clause should reflect state law and be in the deed reviewed by District and Division offices and coordinated with CEMP-CR, which will be further coordinated with CECC-R. After the land is conveyed, the land shall no longer be a portion of the Hammond Small Boat Basin project for navigation as authorized by section 107 of the Rivers and Harbor Act of 1960 (33 U.S.C. 577).
3. WRRDA 2014 expressly exempts this conveyance from the screening provisions of Title 10 USC Section 2696. All other applicable Federal Statutes, Code of Federal Regulations, Army Regulations, Engineer Regulations/Circulars, Real Estate Policy Guidance Letters, and state laws will be followed.
