

Section 1039 (a) (1) of WRRDA 2014 directs the Secretary to carry out a review of existing Federal authorities related to aquatic invasive species. A comprehensive review of the existing Federal authorities relative to invasive species was completed by the National Invasive Species Council and the Aquatic Nuisance Species Task Force in August of 2015 in coordination with numerous Federal Agencies including the Army Corps of Engineers. A copy can be found at <http://www.fws.gov/answest/Documents/2015%200828%20Federal%20Lands%20Policy%20Options%20for%20Addressing%20the%20Movement%20of%20AIS%20onto%20and%20off%20of%20Federal%20Lands.pdf>

No further work will be undertaken by the Corps unless funds are appropriated for any additional work.
