RE: Response to Proposal From Non-Federal Interests for Proposed Feasibility Studies and Proposed Modifications to Authorized Water Resources Development Projects for Feasibility Studies for Inclusion in the U.S. Army Corps of Engineers (USACE) Annual Report – **Feasibility Study for Brackish Groundwater Augmentation for the USACE Mouth of the Colorado Project**

Dear Ms. Kiefel:

The LCRA is responding to the above-referenced request for proposals. The LCRA is proposing a Feasibility Study for Brackish Groundwater Augmentation for the USACE Mouth of the Colorado Project. This project would complement the USACE Mouth of the Colorado Project in improving the health, productivity, and economic fisheries of Matagorda Bay in Matagorda County, Texas.

If you have any questions or would like additional information, please feel free to contact me at (512) 473-3200 or (800) 776- 5812 at ext. 7083 or Ron Anderson at ext. 3572.

Sincerely,

A handwritten signature in blue ink that reads 'John B. Hofmann'. The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

John B. Hofmann
Executive Vice President of Water
